For Life

Canadian Blood Services
it's in you to give

Dear friends,

It's time to roll up your sleeves! The Anglican Diocese of Edmonton has joined the Canadian Blood Services *Partners for Life* program. As such, members of the Edmonton diocese are asked to donate blood (and encourage others) to help build Canada's blood supply.

Every minute of every day, someone in Canada needs blood. This is one of the most direct ways individuals and organizations can give back to their communities.

Our goal is to raise 100 units of blood by the end of 2015. If you're interested in donating blood on behalf of the diocese, we encourage you to register as a member of our team at www.blood.ca/joinpartnersforlife. Once you register every donation you make will be automatically attributed to our *Partners for Life* team. Register with the following Partner ID #: **ANGL696986**.

To donate blood, please call **1-888-2-DONATE** (1-888-236-6283). You can view the schedule for the donor clinic nearest by using the "Find a Clinic" search bar at www.blood.ca.

To find out if you are eligible to give blood, visit www.blood.ca/eligibility or call **1-888-2-DONATE** (1-888-236-6283). If you are unable to give directly, why not become an advocate and encourage others to donate for you? There are also opportunities to volunteer with Canadian Blood Services.

You can read recipients' stories at www.thankyourdonor.ca, and view testimonials at www.youtube.com/18882DONATE.

Thank you for helping us support this life-giving initiative. Together, with prayer and participation, we can help ensure there is blood available when someone needs it.

Thank you,

The Rt. Rev. Jane Alexander
Bishop of Edmonton
Partners for Life, Program Sponsor

Ms. Margaret Marschall, Communications Director
Anglican Diocese of Edmonton
Partners for Life, Program Champion
